

**Name of Company:** Third Sector International (3Si)

**Role :** Graphic Designer & Digital Marketing Assistant

**Location:** Calle Leonardo daVinci,18 Planta 5a, Modulo 1- 41092, Sevilla

**Website:** [3si.es](http://3si.es)

**Duration:** 3 months

### **Company Description:**

3Si is a vocational training and research centre supporting youth employment in the community. Our mission is to help young people gain employment in a demanding labour market. We have over ten years of experience and continue to develop our networks both in the south of Spain and across Europe.

### **Artistic Work Placement Description:**

The participant will carry out a 13 week artistic work placement as a Graphic Designer and Digital Marketing Assistant . They will work on new designs and write content for social media (Instagram and TikTok); creating materials, such as posters and brochures for digital marketing purposes; interviewing other peer participants for 3Si's social media and blogging. The successful candidate will also work on a newsletter to be sent, which will provide information about events and recommendations in Seville, as well as in other nearby places in Andalusia.

The participant will also be expected to contribute a piece of artwork (in a medium of their choosing) to an exhibition that all Capacity Ireland participants will take part in - further details below.

### **Art Exhibition**

Capacity Ireland and ArtLinks is working with LAB Sevilla and Third Sector International (3Si) in organising an art exhibition based around a collaboration between Capacity Ireland participants and local artists and this will be a key part of this Erasmus+ work placement and artistic residency..

### **Required Applicant Profile:**

- Knowledge and experience of WordPress, as well as fluency with Illustrator, InDesign and/or Photoshop
- It is essential that you have your own laptop and the mentioned programs
- Knowledge of social media management
- Knowledge of Mailchimp is preferred

- It is essential that you have your own laptop and camera
- This role involves a variety of tasks and working to deadlines. We are looking for candidates who are creative, flexible, enthusiastic and able to work independently
