

**Name of Company:** AMAT Arquitectos

**Job Title:** Architectural Assistant

**Location:** Calle San Isidro, 17, 18005 Granada

**Website:** <https://amat-arquitectos.com/sobre-nosotros/>

**Duration:** 3 months

### **Company Description**

AMAT Arquitectos is an architectural studio in Granada made up of architects, designers, technicians and rehabilitation specialists. With interventions in various areas, this team focuses above all on rehabilitation, contract and residential projects. We work hand-in-hand with our clients, from the sketch of the first drawings to the control of the execution and work. We lead the design but also have qualified technicians on hand with the skills and knowledge to resolve any question that arises throughout this process of giving shape to the client's objectives and desires.

### **Role Description**

During this 3-month Erasmus+ placement as an Architectural Assistant at AMAT Arquitectos, the participant will contribute towards the objectives and requirements of active projects, including tasks such as digital rendering; 3D model building; drawing-up plans with CAD programmes; preparing and presenting design proposals; compiling feasibility reports; searching information for the research stage; taking measures on-site and writing competition bids.
