

**Name of Company:** Reviverdes

**Job Title:** Design Assistant and Content Creator

**Location:** C/ Chorrillo, 9 Vegas del Genil, Granada

**Website:** <https://www.reviverdes.com/>

**Duration:** 3 months

## Company Description

Reviverdes stands as a pioneer in sustainable furniture and decor design. Headquartered in Granada and specialising in the art of upcycling and repurposing materials, we breathe new life into reclaimed elements, crafting exclusive pieces that seamlessly blend aesthetics with environmental consciousness.

Our dedication to sustainability permeates every stage, from meticulous sourcing to expert craftsmanship, ensuring that each creation not only exudes style but also contributes to a more environmentally conscious lifestyle. But we don't just create; we do it with a commitment to our surroundings, cherishing materials, and ensuring our designs are manufactured as sustainably as possible.

## Role Description

As a Design Assistant and Content Creator for Social Media at Reviverdes, you will be a key player in shaping our online presence and will also have the opportunity to contribute to a range of creative design initiatives.

Your responsibilities will include: collaborating on the creation of visually appealing materials that reflect our brand; developing and implementing content strategies; and utilizing photo and video editing skills. Additionally, you will be expected to contribute design ideas in brainstorming sessions and stay updated on industry trends in design, sustainability, and content creation.

Reviverdes is currently creating a new workspace and candidates with design skills – e.g. proficiency in Autocad – may be able to contribute towards the design and development and design of this space.

## Required Applicant Profile

The successful candidate will be someone with strong creative thinking, adaptability,

and excellent communication skills to provide ideas, insights and support. We are looking for someone with the following skills and knowledge:

- Background in a creative field
- Creativity and commitment required to create artwork
- Proficient drawing skills and ability to translate ideas into sketches are crucial
- Knowledge of content creation and social media management
- Knowledge of photo and video making
- Design background including proficiency in AutoCAD would be advantageous but is not essential
- Willingness to perform a wide range of different tasks
- The participant will need to bring their own laptop and camera
- Spanish language skills – useful but not essential
