

Name of Company: StartIdea

Job Title: Video Editor

Location: Calle Conde Cifuentes 33, 18005 Granada

Website: www.startidea.es

Duration: 3 months

Company Description

StartIdea is a consulting and communication agency with a mission to generate positive social impacts through the content they create. We develop strategic communication planning in awareness campaigns in 3 main areas:

WEB DESIGN: We strive to fully understand your goals and needs, to create a quality web design that suits you.

SOCIAL MEDIA MANAGEMENT: Our goal is to make a positive and lasting impact in your community. We strive to build a strong relationship with your followers, encouraging interaction and engagement.

GRAPHIC DESIGN: We strive to understand your goals and needs, to create designs that reflect your identity and values in impactful ways. We transform your ideas into creative and professional graphic pieces.

Role Description

The participant will carry out a 3-month Erasmus+ work placement as a Video Editor and will be responsible for assembling and editing raw footage into a polished video product. This involves cutting, arranging, and enhancing video and audio elements to create a coherent and engaging final product, often following a specific creative vision or client's requirements.

The participant needs to be familiar with Adobe Premiere, After Effects, Adobe Audition and relevant video editing techniques to achieve the desired results, such as adding transitions, effects, sound elements and color grading ensuring the video tells a compelling story or conveys the intended message.

Required Applicant Profile

- Familiarity with editing software programs especially Adobe Premiere, After Effects, Adobe Audition, etc.
- We are looking for candidates who are creative, flexible, enthusiastic and able to work independently
- Intermediate level Spanish (minimum B1 level) is an essential requirement
- This role involves a variety of tasks and working to deadlines
- Attention to detail
- Adaptability
- Self-motivation
- Organizational skills
- Communication skills
- Problem-solving skills
