

Name of Company: Ceraselle

Job Title: Workshop Assistant

Location: Espacio Rompemoldes. C/ San Luis, 70 - 41003, Seville

Website: www.ceraselle.com

Duration: 3 months

Company Description

Ceraselle is an artistic workshop born from the meeting of two multifaceted architects and ceramists who have embarked on a similar creative journey working with a fascinating variety of clay and other materials. Their compositions reveal an inseparable relationship between the aesthetics of every element and the design of the complete object. They extract forms from reality, including the movement of animals, natural elements and abstract forms are also reinterpreted.

Role Description

During the 3-month work placement the participant will have the opportunity to be part of an artistic workshop, where they will engage in various aspects of the company's work, such as the organisation of company stock and jewellery assembly. They will also glaze small porcelain pieces for jewellery; both with high-temperature furnace and cold techniques.

The position is hands-on and involves a range of tasks, offering a great opportunity to experience how a small design studio operates. Participants will also engage in administrative tasks, such as control stock, shipping process twice a week. They will be also performing some marketing tasks, such as doing some client research on the Internet, under the instructions of their supervisors.

The participant will also be expected to contribute a piece of artwork (in a medium of their choosing) to an exhibition that all Capacity Ireland Erasmus+ participants will take part in - further details below.

Art Exhibition

Capacity Ireland is working with LAB Sevilla and Third Sector International (3Si) to organise an art exhibition based around a collaboration between Capacity Ireland Erasmus+ participants and local artists and this will be a key part of this Erasmus+ work placement. As well as contributing a piece of artwork to the exhibition, the participant will need to collaborate with the other artists taking part to help organise and promote the exhibition. LAB Sevilla and 3Si will also support the organisation of the exhibition, e.g. by assisting with identifying a suitable venue and providing a small budget.

Required Applicant Profile

- Background in a creative field
- Experience with ceramics
- Willingness to perform a wide range of different tasks
- Creativity and commitment required to create artwork for the exhibition
- Team working and collaborative skills to contribute to organising the exhibition in conjunction with the other participating artists
- Spanish language skills are useful but not necessary
